**Subject:** Homicide Investigation

Sheriff Newell Normand reports, last night, around 10:33 PM, our officers were dispatched to numerous reports of gunshots in the area of Millender Drive in Marrero. Additional calls were received relative to a small red vehicle stopped for a length of time with the lights on near the intersection of Millender Drive and Paine Drive in Marrero.

First responding officers observed a red, 2007 Kia, 2 door vehicle stopped in the roadway, with the engine running while still in gear at that same location.

Inside of the vehicle was a subject identified as Brandon Harris, B/M, 22, of 4180 Ames Blvd in Marrero. Harris, who sustained multiple gunshot wounds was pronounced dead on the scene.

Our homicide investigators have not established a motive, nor do we have any suspects at this time.

Anyone with information in this matter is asked to call Homicide Detective Danny Kerr at 364-5300 or Crimestoppers.
