Approximately ten minutes later, our 911 center received a second complaint of an Armed Robbery having occurred in the 1000 block of Curtis Street in Harvey. The victims, a 36 year old white male and a 31 year old white female, reported three black male suspects approached them armed with handguns and demanded money. With the assistance of the Westwego Police Department, the vehicle, a Green 1999 Ford Contour occupied by three black males, was spotted parked in the 7300 block of the Westbank Expressway. One of the suspects was observed entering a business at the location. As responding units attempted to approach the vehicle, the suspect who had entered the business fled on foot making good his escape, leaving two suspects inside the vehicle.

The suspect vehicle then fled and both occupants were observed throwing a handgun from the car. The vehicle came to rest near the intersection of Interstate 310 and River Road in St. Charles Parish after experiencing mechanical problems.

Dickerson and Dorsey were apprehended on scene and a search of the vehicle revealed property belonging to one of the victim's and a third handgun.
