

March 9, 2007

Attn: Plantation Estates Homeowners - Fort Knox now has available storage for Boats, RV's, Trailers, etc.

The association has received a number of calls concerning homeowners storing Boat's, RV's and Trailer's within the subdivision. As a courtesy to our homeowners, the association asked Fort Knox sometime last year to notify us when they open the new area at their location. They called this week and told us the space will be available March 15. Below is their contact information.

Fort Knox, 5151 Lapalco Blvd, Marrero, LA

Phone: 324-5940

Estimated storage fee between \$65-75/month depending on the size

We sincerely appreciate many of you that have this worked out already. Please help us to protect the property values in our subdivision.

For a list of the Plantation Estates Covenants and Restrictions, visit our website at:
