Bi-Annual Landscaping Completed in Plantation Estates

The Bi-Annual Landscaping Project was completed last week in Plantation Estates by Dan's Landscaping.

Recent improvement included:

- Re-mulched 4 oak trees at the Barataria entrance behind our garden
- Barataria entrance garden was newly landscaped and mulched
- Both sides of the Parlange entrance gardens were overhauled
- Garden lights repaired in the Barataria entrance garden
- Sprinkler system on Parlange totally replaced (Labor cost donated compliments of John Combel)

Related projects coming soon:

1. Putting new sod to replace dead grass and mud at Parlange entrance garden
2. Removal of 4 dead trees on Oak Alley Blvd. and re-planting new one's in their place
3. Remove 2 leaning trees in Barataria entrance garden
