FYI: I was at Winn Dixie today at 11:00 AM in front of Woodmere in the check out line when a woman came running in the store saying that her car was stolen..."a car jacking"...She was very upset. There was no officer in sight at the store – or security - to help. She was very shaken and has ME VERY SHAKEN!!! I am not one to be scared and I love my neighborhood, but I was nervous unloading my groceries in my driveway...
