President's Report

Dear Friends and Neighbors,

As our final newsletter this year, I want to wish you all a Merry Christmas and a Happy New Year. Also would like to welcome our new homeowners who recently moved in. For only \$60/year, our association is able to support a number of social events such as our Night Out Against Crime, landscaping and maintaining the entranceways of our neighborhood, flag pole banners, Annual Homeowners Meeting, distribute quarterly newsletters, maintain our website and much more. Association dues are renewed on January 1st and we appreciate your support.

We made it passed another busy Halloween night. We were not sure what to expect this year since it fell on a Saints game Sunday, however it appears the game did not deter people from coming. There was some discussion in Jefferson Parish to change Halloween to Saturday so it did not conflict with the Saints game. This would have required us to schedule the added security for both nights since many outsiders would have still come into the neighborhood on Sunday anyway. Thanks to Col. Fortunato for scheduling 5 police details for added security and to help keep the cars from following the walkers from house to house. Thanks to Charlie Giardina for once again coordinating Constable Tony Thomassie and his deputies, who all donated their time to handle each of our entrances. Thanks to Mark Zimmer for putting out the “No Parking” signs on the Oak Alley median again. The signs on Halloween night have saved our median from being torn up that occurred several years ago. We have received a

number of suggestions and will look into making those ideas possible for next year.

Lastly, I want to address emergency calls made to the members of the civic association. Myself, Col. Fortunato and other Board Members have our phone numbers listed in the back of all newsletters if you need to reach any of us. We still occasionally receive phone calls about things like a suspicious person or about some kind of activity that requires immediate action. We want to hear about it, however please call us only after you have made the first initial emergency contact by calling 911 and getting it checked out immediately. We don't want to see precious time wasted trying to reach us for an emergency, especially since most of us work during the day and may not be available at the exact time you call or even in the neighborhood to address the concern. If or when I hit the lottery and my work situation changes, I'll let everyone know so you can reach me quicker. HA-HA!! Thanks for your understanding as we just don't want to have valuable time wasted for an emergency.

If you have community news or new ideas, we would love to hear from you. If you would like to be added on our email list, please email president@plantationestates.org.

Your neighbor,

Charles Miller, III
